Jelajah Negara Lewat Rasa

NegaRasa

Kenapa bisa ada NegaRasa?

Gak semua orang punya kesempatan bisa menjelajah dunia. Namun, setiap orang berhak untuk merasakan keindahannya. Gak semua orang juga bisa kembali merasakan rasa yang pernah singgah dari berbagai negara. Tapi semua orang berhak untuk mengenang dan merasakannya kembali.

NegaRasa lahir dari satu keyakinan bahwa perjalanan gak selalu harus ditempuh dengan langkah, melainkan bisa dirasakan melalui rasa yang bermakna. Melalui hidangan dari berbagai negara, kami menghadirkan kembali kenangan, pengalaman, dan kesempatan menjelajah berbagai negara dalam satu tempat.

Nama NegaRasa sendiri berasal dari perpaduan kata “Negara” dan “Rasa”, sebuah makna bahwa setiap sajian adalah representasi perjalanan rasa yang kini bisa dirasakan tanpa harus pergi jauh.
